AIM HIGH, SHINE BRIGHT!

W/C 3RD JUNE 2024 WEEKLY NEWSLETTER

## Hello!

I hope you all managed to have a restful half term break and get some valuable family time before this busy half term got under way.

It was great to see our Carr Stars back in school this week and getting straight back into their learning. Along with this newsletter, you will be receiving the Year group newsletter and Knowledge Organiser for your child's year group. Our Big Idea for our final half term of the school year is 'Through The Ages' so the children will soon be able to wow you with their historical knowledge and interesting facts! Year 3 loved starting their Learning Adventure off with a Roman Day this week - they looked amazing!

There is so much going on this half term, so each week I will update the list of dates and events at the end of this newsletter. Any changes or additions will be highlighted in yellow to draw your attention to them.

I wish you all a lovely weekend.  
Mrs Kerr

## Colour raffle!

Thank you so much for your hugely generous donations towards our colour raffle in yesterday's non-uniform day. We now have enough items to put together some brilliant hampers for the raffle.

## Tweet of the Week!

### Inhalers!

If your child needs an inhaler, please ensure that you send one to school for us to keep in the classroom. Please label it with your child's name and give it to the class teacher. We have had a few occasions recently when children have told us that they need their inhalers but we have not had one sent in from home. Please could any inhalers be sent in straight after the holiday to be kept at school until the next holiday. Thank you.

### Health & Safety and Safeguarding

- If children are riding their bikes to school, they should be wearing helmets. Please talk to your children about being safe on their bikes especially when riding across roads in front of traffic.
- We have noticed that some children are coming to school wearing nail extensions or fake nails. These are not allowed in school. If your child attends school wearing these they will not be able to take part in PE lessons or play outside due to health and safety risks.
- A reminder that jewellery (other than stud earrings and watches) should not be worn at school. If your children are wearing jewellery, they will be asked to remove it whilst in school. No jewellery should be worn in PE lessons and children will be asked to remove stud earrings and watches.
- Please could we ask that children DO NOT bring glass bottles to school as their water bottles.

### Please respect our staff!

Our team is here to help you but please treat them with respect. If any parents or grandparents are not able to do this, they will be asked to leave the school site and may receive a warning letter or complete ban from the school site. Thank you for your support.
