Dear Parent/ Carer,

I am delighted to announce that All-Star Academy will be launching brand new classes to Carr Junior School as an after- school club commencing **Thursday 19 September**. Our first term will run September – February and then February to July.

- **All-Star Academy (Years 1 - 6) - Thursday** – School finishing time - 4.15pm

All-Star Academy– (Performing Arts)

In each lesson children will work at developing their acting, singing and dancing skills to create a performance for their number one fans - (friends and family!) Our classes not only help to create budding performers, but they instil confidence, improve coordination and encourages literacy skills such as reading and writing through our script work and character development techniques. Most importantly we make new friends and have fun each week!

What's more?! – All-Star Academy will be working towards a mini performance at the end of our project in February and will have an awards ceremony where our talented pupils can show back their skills to parents/carers.
