**14 March 2025**

Dear Parent/Carer,

We are excited to invite you to join us in celebrating World Maths Day on Wednesday, 26<sup>th</sup> March 2025 between 3:15pm and 4:15pm.

Throughout the day, the children will take part in a range of fun and engaging maths activities, developing their problem-solving skills. To round off the day, we would love for you to join us as the children showcase their fantastic work. You will have the opportunity to hear about their learning and enjoy playing maths board games they have designed and created themselves!

This is a wonderful chance to celebrate the joy of maths together and see how your child applies their skills in a fun and interactive way. We hope you can join us for what promises to be an exciting and enjoyable event.

Please let us know if you are able to attend by Friday 21<sup>st</sup> March by confirming your attendance on ParentPay. On the day, please arrive at reception no earlier than 3:10pm and you will be directed to the school hall. Depending on the number of attendees, the event will either take place in the hall or in classrooms, you will be directed on the day.

We look forward to welcoming you!

Best wishes,

Garry Flitcroft  
Maths Lead
